

2006 to 2009 Commercial Code Changes Seminar

Feb. 25, 2011 at Columbia, SC

This is a continuing education course for building officials, code enforcement officers, inspectors and other professionals involved in inspecting, reviewing, designing and constructing occupied structures.

Approved for 6 hrs continuing education credit for Code Enforcement Officers under the SC Building Codes Council. The Building Code Council course # is 003-11-07. Approval for credit for State Fire Marshal recertification hours. Approved for 6 class hours for AIA. The cost is \$150 per person. The moderator is Robert L. Harkins, ICC Certified Master Code Professional and CBO.

The subject matter is based on the 2009 Edition of the IBC and includes selected changes from other 2009 ICC commercial codes. ICC examinations are currently based on the 2009 code editions. This is also a good review for 2006 code provisions.

The location is: **Radisson Hotel**, 2100 Bush River Rd., Columbia, SC. The number for hotel reservations or directions is 803-731-0300. Sign-in begins at 8:00 am. Class starts at 8:15 am and ends at 4:00 pm.

The four main targeted areas of learning are:

1. Identify the new, changed and removed definitions
2. Identify added IBC code provisions
3. Understand the impact of added IBC code provisions
4. Identify selected IFC, IPC and IMC changes

For additional information: Phone 803-791-7363 or Fax. 803-791-4363.
