

## COLUMBIA REVIT USER GROUP

Please join your local community and peers for Columbia's Revit User Group Meeting as we share tips, discuss successes and challenges, build technical skills, exchange ideas, and stay on top of the latest in BIM technology.

Enjoy a **FREE** lunch while guest speakers Erik M. Rosenwood, Partner with Hamilton, Stephens, Steel & Martin PLLC- Attorneys at Law and Jeff Todd, President with Insurance Management Consultants, Inc provide an overview of the contractual mechanisms by which the participants in a construction project attempt to define their rights and responsibilities in the context of BIM and IPD. The presentation will be followed by a discussion of some of the unanswered legal issues unique to BIM projects and a general question and answer session.

### Guest Speakers:

**Erik M. Rosenwood, Partner with Hamilton, Stephens, Steel & Martin PLLC- Attorneys at Law** - Erik is a

Certified Superior Court Mediator with focus on Construction Litigation, General Civil, Business and Commercial disputes. He has represented local manufacturers, developers, numerous architectural and engineering firms in complex construction litigation claims, as well as, property acquisitions and contract negotiations. Erik has presented on IPD/BIM at several engagements across NC to include the AIA Charlotte & UNC Charlotte School of Architecture IPD/BIM Symposium and Litigation Risks & Claim Management at the ASCE. Erik is a graduate of Washington & Lee University (J. D. cum laude), University of St. Andrews (M. Litt), and Whitman College (B.A.).

**Jeff Todd, President with Insurance Management Consultants, Inc** - Jeff has been with IMCI since 1994 and specializes in professional liability insurance for Architects and Engineers. He is a licensed property & liability insurance agent and is currently working on his Certified Risk Management and Registered Professional Liability Underwriter designations. Jeff is a graduate of Wingate College and resides in Charlotte, NC.
